International Sport Arbitration: Don't hate the player, hate the game!

Andorra, 19 to 21 January 2018

This is a unique opportunity to gather members of ICC YAF in an informal setting, combining arbitration, winter sports, leisure and networking.

Participants will discover the field of sports arbitration, a unique field that remains to be explored by many of us in the arbitral community. They will also have the chance to enjoy the snow, skiing and all the other activities the season holds in the beautiful Andorra.

The seminar will consist of two lively roundtable discussions on particular aspects of sports arbitration where participants will have the chance to exchange thoughts and share their experience, followed by a cocktail reception.

Who should attend?

The ICC YAF event will be an ideal forum for students and young practitioners.
